Important information for vehicle owners

- **Certificate of Registration:** Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and/or trailer, in the vehicle, in some easily accessible place. The records of the RMV constitute the official status of the vehicle registration.
- **Change of Address:** By law, you must report any change of address to the RMV within 30 days. Visit mass.gov/rmv to change your address. Once you have reported the address change to the RMV, please write corrected address in box provided above.
- **No Insurance Card Required:** Massachusetts law does not require an insurance card. M.G.L. Chapter 90, Section 34, and Chapter 175, Section 113A, requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. The insurer is required by law to electronically notify the Registry of Motor Vehicles if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's Office.
- **Transferring Your Plates:** Massachusetts General Law (M.G.L. Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. See the Transferring a Registration Section on the RMV's website at mass.gov/rmv for more information.
- **Cancel the registration plates if:**
 - The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle.
 - You move to another state and you register the vehicle in that state.
 - The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Vehicle Inspection Report

Cleaner Air • Safer Roads

Please Review This Important Information

Your vehicle has **PASSED** its **SAFETY TEST** and **FAILED** its **EMISSIONS TEST**. Here is what you need to do now:

* Fix emissions defects within 60 days of your initial inspection.

* You may use any repair shop or fix the vehicle yourself, but consider taking your vehicle to a repair shop that employs state-registered repair technicians who are trained and experienced in performing emissions repairs. Ten nearby shops with registered repairers are listed below.

* Have your repaired vehicle re-tested within 60 days of your initial inspection. The first re-test is free at the original inspection station during this period.

* Pass your re-test and get a new inspection sticker. **If your vehicle fails its emissions test again but a state-registered repair technician made the repairs, your vehicle may still qualify for a new sticker.** See "How to Qualify for an Emissions Waiver or Repair Extension" on page 2.

* If your vehicle does not pass a re-test within 60 days of its initial inspection, RMV may suspend your registration.

Questions? Visit www.mass.gov/vehiclecheck or call Customer Service at 1-844-358-0135. Customer Service is staffed from 7 a.m. to 5 p.m. Monday, Wednesday, Friday, and Saturday, and from 7 a.m. to 8 p.m. on Tuesday and Thursday.

OBD Test Failure Messages

Your vehicle's On-Board Diagnostic (OBD) system is not ready to be tested. As a result, your vehicle cannot receive a complete emissions test at this time. This is often caused by a disconnected battery or recent repair work.

Be Sure Your Vehicle is Ready for a Re-Test

Once repaired, your vehicle will need about one week of driving in both city and highway conditions to re-set its computer so it will be ready for its emissions re-test. If your vehicle is not ready, it cannot be tested and will be turned away.

For more information, consult your repair technician, dealer, or manufacturer. Questions? Visit www.mass.gov/vehiclecheck or call Customer Service at 1-844-358-0135. Customer Service is staffed from 7 a.m. to 5 p.m. Monday, Wednesday, Friday, and Saturday, and from 7 a.m. to 8 p.m. on Tuesday and Thursday.

How To Qualify for an Emissions Waiver or Repair Extension

If your vehicle's emissions control system has been repaired but the vehicle still does not pass its re-test, it may be eligible for a waiver of the emissions requirements until its next scheduled emissions test. Your vehicle can receive an inspection sticker if it has no safety defects and:

* Emissions repairs were performed and documented by a state-registered repair technician. Work done by other parties does not qualify.

* For Calendar year 2022, repairs cost more than \$975 if your vehicle is five model years old or newer, \$875 if it is six to ten model years old, or \$775 if it is older.

* Repairs were appropriate for the diagnostic trouble code(s) that caused the malfunction indicator light to be commanded on by the OBD system.

* The vehicle passed all portions of the emissions re-test that it passed during its initial inspection.

For more information about how to apply for a waiver, please visit www.mass.gov/vehiclecheck or call the Motorist Hotline at 1-844-358-0135. The Hotline is staffed from 7 a.m. to 5 p.m. Monday, Wednesday, Friday, and Saturday, and from 7 a.m. to 8 p.m. on Tuesday and Thursday.
